

# A party without the rush

## Your at-home party checklist

You do not need a perfect party. A comfortable space, a simple plan and time together are a great start.

### 01 A few days before

- ☐ The date, location, guest count and budget are agreed.
- ☐ Food preferences are checked; everyone knows what to bring.

### 02 The day before

- ☐ There is space for coats, bags and a quiet break.
- ☐ Drinks, plates, napkins and cleanup supplies are ready.
- ☐ Music, lighting and equipment for games have been checked.
- ☐ If gifts are being exchanged, time and space are set aside.

### 03 On the day

- ☐ Guests have the address, arrival time and my contact details.
- ☐ Water and an alcohol-free drink are available.
- ☐ Gifts and game supplies are ready; the schedule is not too full.
- ☐ There is time to chat and say goodbye without rushing.

Comfort matters more than the program. Let guests skip a game, switch activities or leave early. A good plan can change.
